No.: 12/09/2023-DS-II

Dated: 12-11-2025

To
All the Licensees with Internet Service Authorization

Subject:- Adherence to terms & conditions of Unified License -reg.

It has been brought in notice of the department that certain Internet Service Providers (ISPs), as part of their behavioral analysis and filtering mechanisms, occasionally restrict, access to newly launched portal namely Census Management and Monitoring System (CMMS). These measures inadvertently result in the blocking or throttling of websites – especially those that have limited traffic history. Accessibility issues in certain zones/areas for the below mentioned portals/websites have been reported.

Sl.	URL	IP Address
1.	census.gov.in	103.151.152.65
2.	test.census.gov.in	103.151.152.162
3.	map.census.gov.in	103.151.152.69 103.151.153.130

*These IP addresses are part of NKN network IP address space.

2. In this regard, please refer to the clause no. 2.3 and 2.3(i), Chapter (IX), Internet Services of Unified License-

2.3 Principle of non-discriminatory treatment, definition of specialised services and reasonable traffic management and other exceptions:

2.3 (i) A Licensee providing Internet Access Service shall not engage in any discriminatory treatment of content, including based on the sender or receiver, the protocols being used or the user equipment.

3. Accordingly, all licensees with Internet Service Authorization are hereby instructed to adhere to the above terms and conditions of the Unified License and ensure that no intentional or unintentional restriction of the aforementioned URLs are occurring in your network.

This issues with the approval of competent authority.
